It will also kill ITCH and other local vermin which prey upon the skin. It softens and detaches the exercisentitions matters deposited apon the skin; heals the exacte, blisters and pimples, and renders the entaneous surface smooth and pliable. It has been used by Da. GILBERT, with most antisfactory results, for many years. It is offered for sale, in this style, from the firm conviction that it must necessarily meet with the hearty approbation of those who make use of it.

Full directions for the method of using these remedies, a plain and recovarie description of a number of the different variaties of Skin Diseases, and many valuable suggestions in regard to their cure, will be found printed on the circular accompanying each package. These suggestions are the fruit of most ample experience acquired by Dr. Samuel Gilbert during his extraordinary professional carost in the treatment of this class of diseases in the cities of Memphis, New Orleans and New York; and will, it is expected, anabic mest unprofessional percents to treat their own cases with much greater success than that which usually falls to the lot of ordinary physicians.
